

PRICE WINS NORCAL 10-MILER...NO CONTEST (May 28, Redding): Jim Price of Redding and S.W.E.A.T. led the field of 72 runners from start to finish in establishing the course record for this first annual event in 55:32 (this race took the place of the Lake Redding Run (7.62 miles), which had been held for seven years previously). Temperatures were moderate (low 70's) for the area, much to the liking of the participants. Runnerup Mark Burch of Chico was a distant (59:19) second in the race. Bob Malain, just turned 50 this year, copped the masters overall title with 62:58 and eighth overall. Bill Flodberg, who came all the way from San Martin (near San Jose) to run, was next at 65:59. Merill Cray of the Chico Running Club was the unopposed winner in the women's division, clocking a slowish 73:07, some four-and-a-half minutes ahead of Laurie Bagley of Redding. In a companion three-mile cross-country race, Lee Ferrero of Weed started slowly but then went by everyone to finish in 15:32 (top five in that race were: 2-Tom Hayes 16:19, 3-Wayne Moss 16:33, 4-Steve Daniels 16:35, 5-Britt Brewer 16:41). A good group of 44 completed the short circuit. /Len Edholm/ P.S. - Phil Harder was 2nd master!!
