

## WHISKEYTOWN RELAYS

4 person, 19.3 mile race, September 26th Many thanks to our race directors, Kim Stempien, Glen Reed and Luanne Park for their many hours of work and planning. It was a job well done! Thanks also, to the many volunteers who make the race the success it was. It was great talking to some of the Diablo Running Club members who have participated in our relays for the past 15 years. They had nothing but praise for the race and the race directors, past and present. Excellent club event-thank you everyone! The top three teams in each division are listed below:

### Running
